During the year 2020, no Idaho law enforcement officers were killed in the line of duty

Today the ambitious young person who considers a career in law enforcement must also consider the risk of being killed or assaulted by a member of the society they are sworn to protect.

Data collection on officers killed or assaulted includes aggravated assaults which result in serious injury or in which a weapon was used which could have caused serious injury or death. The reporting of simple assault incidents are excluded where mere verbal abuse or minor resistance to an arrest exist.

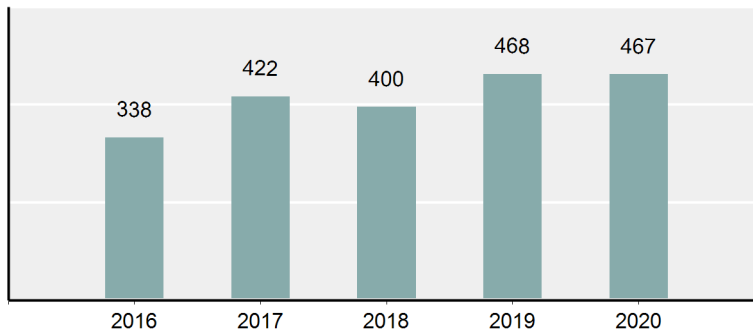

Idaho did lose an officer in the line of duty, it was not a felonious, intentional act against the officer, so it is not included in these crime statistics. Please visit <https://www.idahopeaceofficersmemorial.com/honor-roll/wyatt-christopher-maser> to read more on our fallen officer.
