Today the ambitious young person who considers a career in law enforcement must also consider the risk of being killed or assaulted by a member of the society they are sworn to protect.

The reporting of simple assault incidents are excluded where mere verbal abuse or minor resistance to an arrest exist. Deaths in the line of duty that are not felonious, intentional acts against officers are not included in these crime statistics.

Although K9 officers do not meet the criteria for inclusion in the FBI's LEOKA data collection, Idaho honors the loyal service of Nampa Police Department's K9 Riddick, who lost his life in the line of duty.

Riddick and his handler, Officer Cody Huss, both sustained injuries during the incident, but Riddick passed away at the scene on September 21, 2024.

Riddick will be remembered as a skilled police K9 and a devoted K9 partner who sacrificed everything in service to his community.

During the year 2024, one Idaho law enforcement officer was killed in the line of duty
